February 2016

Dear Member,

Subscriptions for 2016

If you have not already renewed your membership subscriptions are now due for this year and at the AGM on 29th January the members voted once again to keep subs at £10 for family membership and £6 for an individual. Whether you wish to act, work backstage, help in any other way or just show your support for the club by coming to productions your membership is vital to the ongoing success of the club.

It was agreed at the AGM that membership would now give priority booking rights for all our public events, not just our own productions, but performances by the Bristol Old Vic Theatre School students and the Take Art visiting professionals as well. This is a plus for members as these events like the visit of *Graffiti Classics* last week can sell out early. In addition, members receive a regular newsletter and invitation to our popular socials, like the New Year party, summer barbecue and autumn rehearsed play reading. However, at the AGM members also voted to discontinue the half price drink offer, as it was proving a slight complication for our bar staff (!) and costing the club too much money. The feeling was that members come for the performance, not just for the sake of a cheap glass of wine! I hope you agree with this.

How to pay for your membership

1. Either post a cheque and sae to me with the attached form, as in the past (or give it to me at Wedmore Bridge Club)
2. Or pay by electronic bank transfer direct into the club account:

NatWest a/c: Wedmore Theatre Club
Sort code: 60-05-12
a/c No: 17103789

As a reference for the payment please include 'your name' followed by the word 'subs', so that I can pick it up on bank statements.

Please also email me to give me the names of those you are registering:
peterc@coltonmarketing.co.uk

Please note that as membership cards are no longer to be used for drinks discounts I will only be sending them to members who send me a cheque with a sae. I will of course acknowledge your emails to confirm that you will be added to our official members list.

I look forward to receiving your subscription and hope to see you at our various events during the year.

Yours sincerely,

Peter Colton
Treasurer
